---

November 2015 – for immediate release

### ***UK Veterans- One Voice – Delivering 25,000 signatures to 10 Downing Street***

London, UK, November 2015 - UK Veterans-One Voice forms in 15 days, creates petition in as many days which reaches 25,000 signatures and gets Armed Service personnel retired and serving, to march to 10 Downing Street to deliver it.

Founder Nigel Kellsell said, ‘ Enough is enough, its time our Armed Forces were properly looked after, from finding their way in Civvy Street to dealing with requests for interview and potential prosecution for actions carried out in the line of duty from military, police and legal firms’.

The Group plans to provide advice, support and comradeship, in what can seem a hostile and alien world, to members in their time of need.

UK Veterans – One Voice will work with other Armed Service groups and charities, being a single point of contact and referral for any member who is struggling to find a voice.

Nigel Kellsell says he felt compelled to start the Group to bring to the attention of anyone that will listen, details of the vilification of serving and retired Armed Services Personnel and how little support they get to counter claims, amidst the almost inevitable effects of PTSD, depression, and anxiety most of them are living with, and will continue to battle for the rest of their lives. He is particularly grieved that the allegations go back decades and cover times of ‘The Troubles’ in Northern Ireland to Iraq and Afghanistan.
