

Press Release UK Veterans-One Voice

9th January 2016 – for immediate release

UK Veterans- One Voice - Join our March to support your Armed Forces

UK Veterans-One Voice is holding multi-location marches up and down the United Kingdom on the 20th February 2016.

Please come and join us, either to march, or to support the folk that do.

Let the Government know we will not go away until full responsibility is accepted for allowing the mis-management of persecuting and prosecuting members of the Armed Services.

We ask for a stop to the current trend of ‘bash a soldier’ that is making a mint for lawyers, but ruining lives of individuals.

For full details of where and when you can join us in London, Manchester, Leeds, Exeter, Cardiff, Portsmouth, and Edinburgh, please view our website www.ukveterans-onevoice.uk or email us ukveterans-onevoice@ukveterans-onevoice.uk

About:

UK Veterans - One Voice formed to campaign for fair treatment for all veterans. We aim to attempt to unite all the groups who are fighting for justice or seeking help for serving military personnel and veterans in need. We are not a political organisation but people who have served their Country with Professionalism, Honour and the hope that we would always be supported by the Government we represented. Though we are in support of other groups, each must take responsibility for its own actions. We WILL NOT support any criminal activities.
