

## Press Release UK Veterans-One Voice

---

17<sup>th</sup> January 2016 – for immediate release

### ***UK Veterans- One Voice – More march Locations Announced for February 20<sup>th</sup> 2016***

Stop Press! – We are delighted to confirm an additional location of Nottingham for the 20<sup>th</sup> February, in addition to holding our third march in London, and sister marches in Manchester, Leeds, Exeter, Portsmouth and Cardiff.

We have also secured a march in Scotland in Edinburgh, which is gathering massive support for the same day.

Our reach across SCOTLAND, ENGLAND and WALES is growing rapidly, and with your support will serve to show the Government that our Armed Forces, serving and retired, should be treated fairly and with respect.

You do not have to have served in the Military to attend these marches. We actively seek everyone who is free on the 20<sup>th</sup> February 2016, and near one of the locations, to join us for a peaceful but meaningful march and demonstration of support for the United Kingdom's Armed Forces.

Make the 20<sup>th</sup> February 2016 count – support your Armed Forces

About:

*UK Veterans - One Voice formed to campaign for fair treatment for all veterans. We aim to attempt to unite all the groups who are fighting for justice or seeking help for serving military personnel and veterans in need. We are not a political organisation but people who have served their Country with Professionalism, Honour and the hope that we would always be supported by the Government we represented. Though we are in support of other groups, each must take responsibility for its own actions. We WILL NOT support any criminal activities.*
