UK Veterans- One Voice – Supporting Kitchener’s Holiday Centre for ex-servicemen and women

UK Veterans One Voice is about fair treatment for the UK Armed Forces and this includes supporting members who need rest and recuperation, whether singly or with their families.

UK Veterans One Voice is pleased to support and promote the facilities available at Kitchener’s Holiday Centre hotel in Lowestoft, Suffolk.

The hotel empathises with the needs and requirements of the service community and offers a family led welcome that helps guests relax and enjoy a welcome break from the rigours of service life, or enable retired members feel part of a community that understands them.

The Centre was founded as a memorial to the national hero Field Marshal Lord Kitchener of Khartoum and was opened in 1919, and as a Registered Charity, aims to offer accommodation at an affordable rate to enable as many service personnel to take advantage of it as possible. It is situated on the seafront in the midst of the popular and attractive town of Felixstowe.

About:

UK Veterans - One Voice formed to campaign for fair treatment for all veterans. We aim to attempt to unite all the groups who are fighting for justice or seeking help for serving military personnel and veterans in need. We are not a political organisation but people who have served their Country with Professionalism, Honour and the hope that we would always be supported by the Government we represented. Though we are in support of other groups, each must take responsibility for its own actions. We WILL NOT support any criminal activities.
